Fiscal Year

**Local Plan Section D: Annual Budget Plan**

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments 11-V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

**IMPORTANT:** Pursuant to California *Education Code* (EC) Section 56048, adjustments to any year's apportionment must be received by the California Department of Education (COE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The COE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct.

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

The Special Education Local Plan Area (SELPA) looks to ensure a continuum of program options are available to meet the needs of students with disabilities for Special Education and related services.

**Table 5: Projected Expenditures for Supplemental Aids and Services in the Regular Classroom and for Students with Low Incidence Disabilities**

The standardized account code structure (SACS), goal 5750 is defined as "Special Education, Ages 5-22 Severely Disabled." Students with a low-incidence disability are classified severely disabled. The LEA may elect to have locally defined goals to separate low-incidence disabilities from other severe disabilities to identify these costs locally.

D13. Does the SELPA, including all LEAs participating in the SELPA, use locally defined goals to separate low-incidence disabilities from other severe disabilities?

Yes  No

If "No," describe how the SELPA identifies expenditures for low-incidence disabilities as required by *EC* Section 56205(b)(1)(D)?

D14. Enter the total projected expenditures for supplemental aids and services (SAS) for students with disabilities who are placed in the regular education classroom and for those who are identified with low incidence (LI) disabilities.

Total Projected Expenditures for SAS in the Regular Classroom Provided to Students with Disabilities	5,093,638
--	-----------

Total Projected Expenditures for Students with LI Disabilities	255,000
--	---------

D15. Using the form template provided in **Attachment V**, provide a complete distribution of projected federal and state expenditures by LEAs participating in the SELPA.
